Term 3, Week 10

Monday, 19th September 2016

From the Principal

It's a spectacular week to be at Woodberry P.S. Thank you all for supporting our Book Week events. The parade was well attended by parents, extended family and friends of our school, with some very colourful characters in every class. Well done everyone! Our Book Fair was a very busy place to be as well, with many interesting books heading home with our students.

I would like to welcome Miss Taylor as the replacement for Miss Lambert until the end of the term. 1/2L are enjoying the continued top quality learning she is providing.

Our focus this week and next is to encourage our students to speak appropriately at all times. This is to friends, teachers, in the classroom, the playground and of course, at home as well with family.

You may have noticed that the garden behind the office block has been planted with natives and bush tucker plants. It already looks much better. The plants will take a while to establish themselves so we all need to remember to walk on the paths so that they make take root quickly.

Have a great holiday!

Ms Taggart

Around the Grounds

Our new garden is looking amazing with our newly planted Bush Tucker Garden. Please remember to walk on the paths and not through the garden so our plants can continue to grow.

Also, Johnny and students have been busy painting an Aboriginal landscape representing the students of WPS. Have a walk past and check out the amazing work – I'm sure you will agree both are valuable inclusions to our school.

Aussie Aussie Aussie oi! oi! oi!

Once upon a time in Australia there lived a very cheeky kangaroo named Bacon. But every one that talked to him said whats shaking bacon.

He was a very lonely baby kangaroo. One day he ran away to the Australian rainforest called the Daintree. I know what your going to say a kangaroo in a rainforest, like that's ever going to happen but in this beautiful story were any thing can happen.

Bacon always wanted to meet an emu and guess what happened...dun dun daaa he ran straight into one. "hey watch were your going", said emma the emu

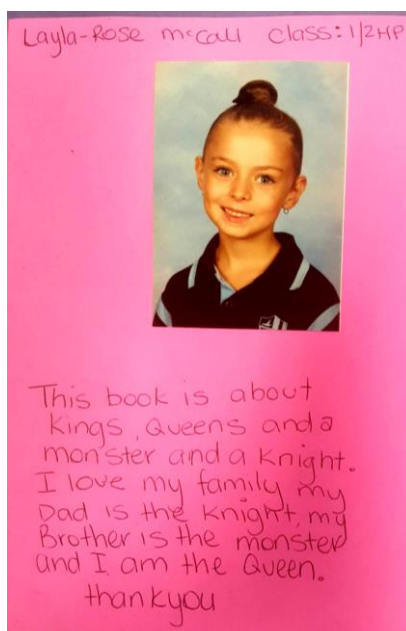

"im sorry", said Bacon.

"im emma would you like to accompany me to the water hole"

"why yes said Bacon

So they walked and talked for hours. Then they arrived for the first time Bacon saw a mermaid that glowed and a frog that when it opened its mouth it would look like the sun. And when it fell night it was even more magical there were hundreds of fire flies emma asked Bacon if he would like to stay with her he said yes. Morning arrived and Bacon woke up to the horrid sound of emma screaming people came and tried to take them but before they got emma into the van Bacon kicked them in the face and emma was free so they ran but saw the mermaids and the frogs so they ran not away but to the danger.

What happened next was horrible all of the animals and all of the magical creatures fort to freedom and happiness finally the mean humans ran away in fear never to be seen again as for Bacon and emma they waited for another adventure to come and what it is will shock you all...the end

What people are saying...

What a relief to come across a program that preserves the dignity of the child, maintains the self-control of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realised quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later down the line, needs excessive discipline or grows out of control.

• An end to the arguing and yelling! • It saved our lives • Simple, sane, effective
