Peek at our **week** in *4/5M*

There are lots of exciting things happening in 4/5M. We have started our STEAM sessions with 3/4L where we will be designing and building lots of different things throughout the term. 4/5M are doing lots of learning about Australia and its states and territories. We are also in the process of transforming our room for Education Week. Lots of exciting things will be happening and we can't wait to share it all with the school and community.

Our mathematicians are learning many concepts in many different ways and are particularly enjoying the hands-on aspect of these lessons.

BASKETBALL

Ours boys and girls teams will be representing Woodberry PS at the annual PSSA Basketball Knockout. This will be held at the Maitland Federation Centre on **Wednesday 6th June, 2018**.

A note has been handed out to those students representing the school.

DEBATING

Last Friday, the Woodberry Wonders debating team were up against Metford Public School. The topic for the debate was: "That the best-behaved students each day should get a 30-minute early mark from school." Woodberry won the coin toss and elected to be the affirmative. Although we lost, it was a very close debate. Well done to Patricia, Tiffany, Cheyanne and Josh and good luck for the next round in Week 6!!!

ZONE CROSS COUNTRY

On Wednesday 9th May, Miss Lambert and Mrs Dixon took 20 excited students to Tocal to participate in the Zone Cross Country Carnival. All students tried their absolute best and represented our school with pride. Our stand outs on the day were Shane Dixon who came 6th in the 11 year boy's race and Dakota Bowden who came 10th in the 12 year girl's race.

A big thank you to all the parents who provided transport on the day and came to cheer our students on.

What people are saying...

What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realized quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later down the line, needs excessive discipline or grows out of control

Who is running it?

The presenters for this course are Maitland Family Support and Hunter Prelude Early Intervention Centre, who have completed Parents' 1-2-3 Magic® & Emotion Coaching practitioner training

• An end to the arguing and yelling! • It saved our lives • Simple, sane, effective

This course is being run by a Parents' 1-2-3 Magic® licensed practitioner.
