BOOKS IN HOMES

ASSEMBLY CHANGE OF TIME- FRIDAY 29TH MARCH (WEEK 9) – 12.45-1.45pm

On Friday 29th March, 2019 our assembly time will change from 2:15 - 3:00pm to 12:45-1:45pm. During this time, representatives from the Books in Homes project will be handing out books to 5 students from each class. Woodberry Public School have been exceptionally lucky to be sponsored by a local freight company "Mainfreight" whereby each of our students from years K-6 have chosen a selection of 3 books. These books are for all children to keep and eventually take home as part of the project of Books in Homes. Parents are more than welcome to attend. Awards will also be handed out at this assembly which will be run by our school leaders. The remainder of our students will be given their chosen books at the conclusion of the assembly in their classrooms.

In 1/2P we have been doing mindfulness. The class enjoys having Hannah come into the class once a week to learn how to be mindful learners.

We have also been enjoying our new room layout which has helped with improving our reading and writing in our Daily 5 rotations.

UPDATED Canteen menu on back page...

3/4J have begun the year with the story of the BFG, looking at friendships and accepting people for who they are no matter what the similarities and differences we have amongst us. The story of the BFG has also allowed us to be creative in our writing and see the world in a different way. We have created amazing art work and be sure to check it out on our notice board in the front office.

We are now in full swing of our independent learning experiences during literacy and numeracy, with the class self regulating their learning throughout the day. This has helped us to develop confidence in writing, reading, listening skills, maths games and research projects.

3/4J has also been expanding their technology horizons by using their student portals and looking at office 365. We have been creating slideshows and graphics around the topic of Growth and Survival in Science. We look forward to the rest of the term and a busy one it shall be. We hope to show and tell you more of what we have been learning as the terms go by. Until next time, 3/4 J Jumping and learning in leaps and bounds.
