# Peek at our week

4/5S

Wow! I can't believe how fast this term flew by! 4/5S are always having a SPECTACULAR time in the classroom doing lots of learning.

This week, we have been writing an imaginative story about a snake whisperer, engaging in reading groups and completing set tasks in our SRW time. In Maths, we are SUPERHEROES learning about place value and time. Recently we had Harmony Day, and we learnt about refugees and what it means to belong. We love our morning sport and our garden time with Craig! We have been cooking lots of delicious foods.

I am SUPER proud of 4/5S.

Bring on the last 2 weeks of Term 1!

## Parents not Partners

This is a six-session program for separated parents in conflict over their children. It is designed to improve emotional and developmental outcomes for children in separated families by:

- raising parents' awareness of the impact on their children of the ongoing conflict in their family
- providing them with knowledge, tips and strategies to be able to focus on their children rather than on their issues or conflicts with the other parent

### Parents will learn:

- ways to better regulate their emotions and to self-care
- ways to help their children manage their emotions
- to recognise the effects of ongoing, mismanaged conflict on children
- skills to better manage conflict with the other parent
- to reorient interactions with their child's other parent to be respectful and cooperative
- to recognise and differentiate between their own and their children's individual needs
- skills to communicate effectively with the other parent
- to reflect on their behaviour and make changes where needed
